*Brigham & Women's  
Hospital; Department of  
Orthopedic Surgery*

Honoree from the  
Celebration of Gratitude  
2009

**Courtney P. Cassidy has worked with Dr. Abraham since his first appointment, and has served in the capacity as both the Head Administrator and New Patient Coordinator for the Orthopedic Oncology Division at Brigham and Women's Hospital. She also serves as the Orthopedic Administrative Liaison for the Center for Bone and Sarcoma Oncology at Dana Farber. She has been instrumental in creating a seamless, efficient, and pleasant experience for Orthopedic Oncology, and recently received the partners in Excellence Award from Partners Health Care in recognition for her outstanding performance and commitment to excellence in this capacity. She is also the proud new mother of her 3-month-old son, Cole.**
